Circular

Subject: Relaxation of minimum lot size stipulation for Assam and West Bengal-reg.

This has reference to various representations received from the tea producing associations of Assam and West Bengal requesting to relax the minimum lot size to be followed for selling tea through auction during the month of June 2023 owing to low production caused by excessive temperature and lower rainfall. Upon examining such representations, the minimum lot size in respect of all grades of CTC tea excluding BPS, CD and Secondaries for the factories producing more than 2.5 lakh kg. CTC tea per annum is hereby relaxed from 30 packages to 15 packages, only for the month of June 2023. This relaxation is valid for the teas arrived till 30th June 2023 in the warehouses and applicable for the factories located in Assam and West Bengal.

The teas other than above, viz., BPS, CD and Secondary grades of CTC tea, Orthodox tea and the teas of the units producing less than 2.5 lakh kg. CTC tea per annum shall be offered and sold as per the prevailing rules (lot size) of Tea Board.

The manufacturers who have already packed teas as per 30 packages norm may offer their teas as it is in auction.

This issues with the approval of Competent Authority.
